

Limited flame spread and protection against convective and radiant heat.

Our model 318 FR+AS is made with inherently self extinguishing Protex modacrylic fibres. There is no deterioration in flame retardancy after either repeated washing or normal use over time. Reflective material in heat transfer makes the T-shirt very comfortable.

Categories: [Professional Vests & Garments](#), [T-shirts & Sweaters](#)

Class: EN ISO 20471 Class 3

Fabric: Mod.Acrylic/Cotton, 220 g/m²

Washing: 25 x 60

Product Subtitle:

Flame retardant and antistatic properties, available in long sleeves version
