243 Compact Emergency Vest

Compact vest for all situations with limited space available

The vest is specially designed, made of very thin material and packed in a compact fabric bag in order to be as small as possible. Perfect to leave in the saddle compartment of a motorcycle, the glove compartment of a car, in a bag or even a back pocket!

Can be ordered with your own text or logo printed on an adhesive sticker mounted on the bag.

Sizes: One-size

Materials: 100 % polyester, 75 g/m²
